Pershore Plum Festival Classic Car Show

After a 3 year wait 6 members attended this year's show and we were not disappointed. There was a large turnout of classic cars of all shapes, sizes and vintage. Members of the public were there in their thousands. The weather held good with plenty to see both in the Abbey Grounds and in the town. Plums were plentiful for sale on and off the field. The car that drew the attention in our display was Ash and Pam's Bristol 401, perhaps it was the gleaming Red paint that attracted the interest. We look forward to next year's show.

Oakridge Village Show

The Oakridge Fete is one event every year that many club members try to get to, not just to support Mike and Helen Scott who organise the classic car part of the event, but because it is a 'real' English fete, supporting the local village and in a great setting - once you have found it! After all the scorching weather we have had this year it did look as if the drought was ending and Saturday was initially forecast to be wet, but in the end we were all lucky with only the odd spit of rain or two, which did nothing to spoil the party !

The range of cars this year was better than ever with, I guess, around 50 finding their way through the narrow roads, including over 12 from the FCCC. It was also good to see a fine range of Austin 7's celebrating the centenary of the marque. Whilst the dry weather may have affected the size and quality of some of the vegetables on show - (congrats to Mike for coming second with your leeks - albeit in a field of 2!) the fete was very well supported and hopefully the charities and other organisations showing benefited from the public's generosity. Once again thanks to Mike and Helen for inviting us and helping to organise the event

The old and the newer

Lunch is a serious event
